

NON-CONFIDENTIAL IMMEDIATE FEEDBACK

Name of participant: [redacted]	Date of course: [redacted] august 2023
---------------------------------	--

Please could you provide immediate feedback and thoughts about your experience and any immediate, positive or not, changes below. This can be from the point of view of the referrer, family, participant or all three. Just a couple of lines of your insight and feedback is so valuable to help others understand the process! Thank you.

I found both Katie, the amazing horses and the course such a valuable experience both for St [redacted] and myself in understanding how I as a parent can do things in a different, and understanding way to help my daughter and in fact others. Its a life skill that i believe we could all benefit from, whether coming from a troubled background or not. Thank you

I would prefer to give verbal feedback over the phone	YES / NO
