PARENTS NON VERBAL TOOLKIT SESSION**

On a scale of 1-10, how highly did you rate (1=bad, 10=great):

Venue	10	Facilitators	10	Session Content	10	Overall	10
-------	----	--------------	----	-----------------	----	---------	----

What did we do well? What did you find most useful?

I FELT THE CONTENT WAS REALLY WELL EXPLAINED & DELIVERED. IT'S GIVEN ME GOOD INSIGHT INTO BEHAVIOURS AND PARTICULARLY HOW I CAN IMPACT THESE BEHAVIOURS. I WAS SURPRISED HOW MY BEHAVIOURS IMPACTED THE HORSES BEHAVIOUR.

What could we improve? What could we cut? What needs more?

PERSONALLY, I DIDN'T KNOW WHAT TO EXPECT, BUT I WAS THOROUGHLY IMPRESSED. AS A PARENT THAT DIDNT OBSERVE MY SONS SESSIONS - I FELT THIS COURSE WAS SPOT ON.

Was the information too much / too little? Too complex / too basic?

THE INFORMATION WAS PERFECTLY BALANCED. I UNDERSTOOD EVERYTHING AND THE ENGAGEMENT WAS FANTASTIC.

Following this course, is there anything you will take back and implement in your own practice?

NEUTRAL BREATHING WILL DEFINITELY BE SOMETHING I WILL IMPLEMENT IN MY EVERYDAY LIFE. I AM LOOKING FORWARD TO IMPLEMENT SUGGESTIONS TO GET INTO THE GREEN.

Is there anything else you would like to share?

MY SON HAS LEARNED SO MUCH IN FIVE DAYS. I HEARD HIM LINKING HORSE BEHAVIOURS <sup>WITH</sup> HUMAN BEHAVIOURS WHEN TALKING TO A NEIGHBOUR. THANK YOU!

Do you give permission to use your feedback in our funding applications, social media, etc?
